

NAVIGATE ASL & LIFE WORLD RETREAT

For Signers: ASL 3 Level and up

Oregon House
Yachats, Oregon

March 9-11, 2012

1.4 hours Professional Studies CEUs and 1.3 RID General Studies CEUs provided

This retreat is for you! The retreat is a totally immersed signed environment, filled with interactive dynamic activities.

Along this self-discovery journey, we will navigate and explore our untapped assets and abilities to advance our signing skills and understanding ourselves and others.

You will have the opportunity to discuss, share and reflect your thoughts about your life journey and self-discoveries.

We will exchange perspectives, life values, and beliefs through thought-provoking discussion and activities. American Sign Language will be the primary communication mode, and activities will foster and strengthen your ASL skills.

Polish your American Sign Language skills, deepen your learning and forward your actions today!

The retreat includes:

- Meditation and relaxation
- Experiential, visualization exercises
- Life and Language activities
- Accommodations in a natural environment
- Fresh, healthy meals
- Free time to reflect, journal, walk and rest
- Saturday evening Bonfire (weather permitting)

The retreat is for signers only. All signers, advanced sign language students, interpreter students, interpreters, family members who can sign, deaf community members, Deaf people, hard of hearing people and professionals who work with Deaf People are welcome.
